

**Are you a Science Teacher?**  
**Would you like to bring your class to a**  
**Gem and Mineral Show where they can learn the**  
**about rocks, minerals, the rock cycle,**  
**caves, volcanoes, fossils, geology, soil, and more.**

**When:** April 14-15, 2007  
**Time:** Kids area 10:30AM — 4:30PM, Show 10 AM—5 PM  
**Where:** SCVGMS 52nd Annual Gem and Mineral Show Kids Area at the Santa Clara County Fairgrounds, 344 Tully Rd. San Jose  
**Admission:** Free for children under 12  
 \$6.00 for adults

**What do you get to do:** Start a rock collection, study volcanoes and caves, interview someone in a earth science career, investigate differences in soil types, discover common everyday products that contain rocks and minerals, and learn about rocks, minerals, fossils, and geology.

**Cost:** \$1.50 per person includes admission to Kid’s area, patch, and program materials (limited number of patches and program materials will be available for last minute attendees, sign up early to assure everything will be available for you to pick up.)

**Does your Class need to sign up?** It is best to sign up in advance to attend this program, as there will be only a limited number of extra packets and patches available for those who don’t sign up in advance. Please use the form below to sign up! No refunds will be available.

**Forms must be in by: March 31, 2007.**

**Questions???** please call or email June Harris at (831) 438-5150 or Juneconeyharris@yahoo.com.

**Prepaid packets will be held at the Kids Area for pickup.**

This is the patch that will be distributed to all registered paying participants

*Return the below portion with payment by March 31, 2007*
